THANK YOU & CLUB IMPROVEMENTS

Your Officers and Board Members would like to take this opportunity to thank all the volunteers who donate their time, hard work, and money to help make our Club an enjoyable place to enjoy our sport.

This year, our club has had many improvements. Most notable: Central Air was purchased, 2 additional scorer sheds were built, and removal roofs were built for the scorer benches. As always we have many more improvements planned, which is all for the better of our club. First up: Office remodeling! As you can see, we are all working hard to make our club an even better place to be.

Thank you also to all who participate in our Gun Club functions. If anyone has any suggestions for the good of our Club, please see any Board Member. North End exists for and because of our members!

RIFLE RANGE NOTES:

The rifle range is a 50 and 100 yard range. Please OBEY ALL RULES when using the rifle range. They are clearly posted. The range use is for members only, no guests, please. Please remember, "Clean up your trash and pick up your brass." This is YOUR range... we all need your help to take care of it. If any of the rules are not followed, you will lose your privileges. The rules exist for your safety and the safety of others. If you witness any acts that damage the range, or are unsafe, please report them to any board member.

The Rifle range will be closed any of the dates that there are scheduled rifle or trapshooting events. (The exception is the meat shoots. The range will be open until 11:00 on those dates--indicated by (*) on the activity schedule.) Please refer to the schedule in the newsletter or on the website.
